

As part of our determination and commitment to a continuous improvement process, we at Transfab TMS have set up a network of warehouses specifically designed to make ordering our products easier and simpler.

With warehouses in Vancouver, Calgary, Winnipeg, Toronto and Boucherville (Montreal), Transfab TMS is the only Canadian manufacturer that can guarantee the highest level of service no matter where you are in Canada.

We offer same-day pick-up and same-day shipment service.

Verifying inventory is just a click away using our dedicated Extranet via [transfabtms.com](http://transfabtms.com).

Order easily via email, fax or phone. Personalized service? You can always be sure that whenever you call us you will be greeted by a friendly, helpful member of our staff: never a machine.

Contact us today and experience the Transfab TMS difference.

With local representation and warehouses, we guarantee the simplest, most efficient service and the best response time in the industry.
